Sachee[®]

Fragrances

The makers of finest fragrances

The legacy of over 2 decades of producing highest quality fragrances and perfumery.

Sachee is an organisation, managed by seasoned professionals with a 360° customer-orientation approach.

At Sachee we constantly strive to be the best fragrance manufacturing and marketing company in Asia. We will achieve this through innovation, focus and a resolve to produce world class fragrance products.

Our Principal roles are:

First, to urge and assist the personal and professional development of our members, and second, to advance the scientific and ethical practice of the marketing discipline.

To further these roles we will:

Lead in the development, dissemination and implementation of marketing concepts, practice and information.

Be the focal point for the development of Fragrance and Chemicals Industry and participate as an active member towards the growth of fragrance revolution in India. To advance the scientific approach and ethical practices of marketing fragrance products in India and abroad.

Pioneer the development, adoption of highest quality of standard and international practice.

Probe and promote diversification into related categories from time to time.

Encourage innovation all levels in process management. Offer and design growth matrix for all stakeholders of the company.

Last but not the least, extend our hand in humanitarian cause of the society.
